## ABOUT THE LINDA VISTA INCORPORATED

The Linda Vista Incorporated is a community based, nonprofit organization that works to provide housing to women and children who are homeless, along with the time needed to regain a sense of stability and economic security. The key focus of Linda Vista Incorporated is to provide an opportunity for women to achieve self-sufficiency for themselves and their families. The Linda Vista program seeks to impact and ultimately replace the negative, complacent mind-set that often accompanies a lifestyle of poverty and homelessness with a mind-set that supports success and self-sufficiency.
